

Government of Punjab
(Chief Minister's Office)

The enclosed representation was presented to CM by a delegation of Adhoc Committee of the United Co-op House Building Society Limited, Mohali. They brought to the notice of CM certain irregularities committed by Shri Swarn Singh, the then President of the Society in the matter of enrolment of members as well as allotment of flats to non-members of the society. They also requested for postponement of elections of the Society, fixed for February 15-16, 2006, till matter is thoroughly scrutinized and action taken as per law.

Hon'ble CM has desired that this whole issue may be enquired into with a view to scrutinize the enrolment of members so as to ensure that the genuine members get their due. Hon'ble CM expects an action taken report within 15 days.
